Interprété par Vampire Weekend.

Johanna drove slowly into the city
The Hudson River all filled with snow
She spied the ring on His Honor's finger
Oh Oh Oh

A thousand years in one piece of silver
She took it from his lilywhite hand
Showed no fear-she'd seen the thing
In the Young Men's Wing at Sloan-Kettering

Look outside at the raincoats coming, say Oh!

His Honor drove southward seeing exotica
Down to the Pueblo huts of New Mexico
Cut his teeth on turquoise harmonicas
Oh Oh Oh

I saw Johanna down in the subway
She took an apartment in Washington Heights
Half on the ring lies here with me
But the other half's at the botthom of the sea
