

## Truth - 1/1

**Interprété par Seether.**

If i gave you the truth  
Would it keep you alive  
Though im closer to wrong  
I'm not further from right  
And now im  
Conviced on the inside  
Somethings wrong with me  
Convinced on the inside  
So much more than me

No theres nothing you can say  
That can sell this lie  
But im trying to keep  
My intentions disguised  
And now im  
Deprived on my conscience  
And somthings got to give  
Deprived on my conscience  
This all belongs to me  
Yah..

I'm beaten down again  
I belong to them  
Beaten down again  
I fell too  
Im weaker now my freind  
I belong to them  
beaten down again  
i fell too

The deception you show  
Is your own parasite  
Just a word of advice  
You could heed if you'd like  
Now im convinced on the inside  
Somethings wrong with me  
Convinced on the inside  
Theres so much more then me
