

Knights of cydonia - 1/1

Interprété par Muse.

Come ride with me Through the veins of history I'll show you how god Falls asleep on the job

And how can we win When fools can be kings Don't waste your time Or time will waste you

No one's gonna take me alive The time has come to make things right You and I must fight for our rights You and I must fight to survive

No one's gonna take me alive The time has come to make things right You and I must fight for our rights You and I must fight to survive

No one's gonna take me alive The time has come to make things right You and I must fight for our rights You and I must fight to survive
