Welcome to the land of questions
Welcome to isle of lore
Where the veil came crumbling down

There it all began
The Germination
Unveiling a cryptic door
There it was revealed
Hopes and aspirations
Unclosing an enthralled door

Escalate the sense
Enhancing to join the dawn

I close my eyes, Inis Mona
And reminisce of those palmy days
I moon o'er you, Inis Mona
As long as I breathe
I'll call you my home

Twenty years I have walked your barrows
Years of emulous youth
I followed the path of the wise

There it all was sown
The inspiration
Removing the seven seals
There it was revealed
Enigma and freedom
Unclosing an unseen door

Escalate the sense
Enhancing to join the dawn

I close my eyes, Inis Mona
And reminisce of those palmy days
I moon o'er you, Inis Mona
As long as I breathe
I'll call you my home

Esacalate the sense
Enhancing to join the dawn

I close my eyes, Inis Mona
And reminisce of those palmy days
I moon o'er you, Inis Mona
As long as I breathe
