

You found me - 1/2

Interprété par The Fray.

i found god
on the corner of first amistad
where the west
was all but won
all along
smoking is last cigarette
i said, where you benn ?
he said, ask anithing

where were you?
whene every thing was falling apart
all my days were spent by the telephone
It never rang
And all I needed was a call
It never came
To the corner of First and Amistad

lost and insecure, you found me, you found me
lying on the floor, surrounded, surrounded
why'd you have to wait?
where were you? Where were you?
just a little late.
you found me, you found me.

but in the end
everyone ends up alone
losing her
the only one who's ever known
who I am, Who I'm not, Who I want to be
no way to know
how long she will be next to me

lost and insecure, you found me, you found me
lying on the floor, surrounded, surrounded
why'd you have to wait?
where were you? Where were you?
just a little late.
you found me, you found me.

early morning, city breaks
I've been calling for years and years
and years and years
and you never left me no messages
never sent me no letters
you got some kind of nerve, taking all I want

lost and insecure

You found me - 2/2

you found me, you found me
lying on the floor
where were you, where were you

lost and insecure
you found me, you found me
lying on the floor
surrounded, surrounded
why'd you have to wait?
where were you, where were you?
just a little late
you found me, you found me

why'd you have to wait?
to find me, to find me
