Have I ever lie to you before
Have I ever been untrue to you
When I don't think I make you blue

And I never never know the reason why
You let me go
And I never never know the reason why
I love you so
I don't know when too hight hight
I want you to try you heart to cry
And I never never know the reason why
You let me go
And I never never know the reason why
I love you so
I don't know when too hight hight
I want you to try you heart to cry

Why do you still look at me this way
Could it be that we're not true
And you let me back

And I never...
