

Rain - 1/2

Interprété par Mika.

Is it really necessary
Every single day
You're making me more ordinary
In every possible way
This ordinary mind is broken
You did it and you don't even know
You're leaving me with words unspoken
You better get back because I'm ready for

More than this
Whatever it is
Baby, I hate days like this

Caught in a trap
I can't look back
Baby I hate days like this

When it rain and rain
And rain and rain
When it rain and rain
And rain and rain

When it rain and rain
And rain and rain
When it rain and rain
And rain and rain

More than this
Baby I hate days like-

Is it really necessary
Every single day
You're making me more ordinary
In every possible way
This ordinary mind is broken
You did it and you don't even know
You're leaving me with words unspoken
You better get back because I'm ready for

More than this
Whatever it is

Caught in a trap
I can't look back
Baby I hate days like this

Rain - 2/2

When it rain and rain
And rain and rain

When it rain and rain
And rain and rain
When it rain and rain
And rain and rain

When it rain and rain
And rain and rain
When it rain and rain
And rain and rain

When it rain and rain
And rain and rain
When it rain and rain
And rain and rain
