

## 11th dimension - 1/1

Interprété par Julian Casablancas.

I just nod, I've never been so good at shaking hands  
I live on the frozen surface of a fireball  
Where cities come together, to hate each other in the name of sport  
America, nothing is ever just how you plan  
I looked up to you but you thought I would look the other way

And you hear, what you want to hear  
And they take what they want to take  
Don't be sad, won't ever happen like this anymore  
So when's it coming? This life's new great movement that I can join  
The warning here  
Your faith has got to be greater than your fear

Forgive them even if they are not sorry  
All the vultures, bootleggers at the door waiting  
You are looking for your own voice, but you're nervous  
While it leaves you trapped in another dimension

Drop your guard, you don't have to be smart all of the time  
I got a mind full of blanks  
I need to go somewhere new fast  
And don't be shy, oh no, at least deliberately  
No one really cares or wonders why anymore  
Oh I got music, coming outta my hands and feet and kisses  
That is how it once was done  
All the dreamers on the run

Forgive them even if they are not sorry  
All the vultures, bootleggers at the door waiting  
Were so quick to point out our own flaws in others  
Complicated, man was on the wings of robots  
If you believe in this world you're not inviting me  
But don't think that yet, to the top, now know what to do
