

Conga - 1/1

Interprété par Hélène Ségara.

Come on shake your body baby do the conga
I know you can't control yourself any longer
Come on shake your body baby do the conga
I know you can't control yourself any longer

Come on shake your body baby do the conga
I know you can't control yourself any longer
Feel the rythm of the music getting stronger
Don't you fight it 'til you tried it do that conga beat

[Refrain:]
Everybody gather 'round now
Let your body feel the heat
Don't you worry if you can't dance
Let the music move your feet

It's the rythm of the island, and like a sugar cane so sweet
If you want to do the conga, you've got to listen to the beat

Come on shake your body baby do the conga
I know you can't control yourself any longer
Feel the rythm of the music getting stronger
Don't you fight it 'til you trierd it do that conga beat

Feel the fire of desire, as you dance the night away
'Cause tonight we're gonna party, 'til we see the break of day

Better get yourself together, and hold on to what you've got
Once the music hits yoursystem there's no way you're gonna stop

[au Refrain, x3]

Come on shake your body baby do the conga.
