

## Whenever, wherever - 1/2

**Interprété par International.**

Lucky you were born that far away so  
So we could both make fun of distance  
Lucky that I love a foreign land for  
The lucky fact of your existence  
Baby I would climb the Andes solely  
To count the freckles on your body  
Never could imagine there were only  
Ten million ways to love somebody

Le do le le le le, le do le le le le  
Can't you see... I'm at your feet

[Refrain:]

Whenever, wherever  
We're meant to be together  
I'll be there, and you'll be near  
And that's the deal my dear  
Therover, hereunder  
You'll never have to wonder  
We can always play by ear  
And that's the deal my dear

Lucky that my lips not only mumble  
They spill kisses like a fountain  
Lucky that my breasts are small  
and humble  
So you don't confuse them  
with mountains  
Lucky I have strong legs like my mother  
To run for cover when I need it  
And these two eyes that for no other  
The day you leave will cry a river

Le do le le le le, le do le le le le  
At your feet...I'm at your feet

[au Refrain]

Le do le le le le, le do le le le le  
Think out loud, say it again

Le do le le le le  
Tell me one more time  
That you'll live  
Lost in my eyes

Whenever, wherever

## Whenever, wherever - 2/2

We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
Thereover, hereunder  
You've got my head over heels  
There's nothing left to fear  
If you really feel the way I feel  
[x2]
