

The last thing you should do - 1/1

Interprété par David Bowie.

What are you doing to yourself
What are you doing to yourself
What are you doing to yourself
It's the last thing you should do

Nobody laughs anymore
Nobody laughs anymore
Nobody laughs anymore
It's the worst thing you can do

Save the last dance for me
Catch the last bus with me
Give the last kiss to me
It's the safest thing to do
