

Little wonder - 1/1

Interprété par David Bowie.

Stinky weather fat
Shaky hand
Dopey morning Doc
Grumpy gnomes

Little wonder then
Little wonder
You little wonder
Little wonder you

Big screen dolls
Tits and Explosions
Sleepy timer
Bashful but nude

Little wonder then
Little wonder
You little wonder
Little wonder you

Enter galactic
See me to be you
It's all in the tablets
Sneezy Bhutan

Little wonder then
Little wonder
You little wonder
Little wonder you

Mars happy nation
Sit on my karma
Dame meditation
Take me away

Little wonder then
Little wonder
You little wonder
Little wonder you
