

She's so high - 1/1

Interprété par Blur.

I see her face
Everyday
I see her face
It doesn't help me
She's so high
I want to crawl all over her
I think of her
Everyday
I think of her
It doesn't help me
She's so high
I want to crawl all over her
She doesn't help me
She's so high
I want to crawl all over her
