

Miss America - 1/1

Interprété par Blur.

miss america sits in the shower
she's plucking hours from the sky
picks up the telephone into another home
don't ask me why

i don't mind, i don't mind at all
i love only you

she's a well wisher and she wishes you well
wish away, wish away
she's no jellybean, she's a jemima ho ho
wish away. wish away

i don't mind, i don't mind at all
i love only you

da do da da do

here is here and i am here
where are you
far away, far away
she's no jellybean, she's a jemima ho ho
wish away, wish away
