

## No one - 1/1

**Interprété par Marc Anthony.**

whisper words about you endlessly  
Mostly to myself 'cause you make me believe  
No one could ever love you like I could  
There wouldn't be a day you'd feel alone  
And never would there be a time you didn't know  
'Cause no one could ever love you like I could

[Chorus 1:]

So if you'd be the one to share my dreams  
I'd never let you go  
If you'd stay with me  
I promise you would know  
Of all the times I reached out for you  
Girl can't you see how I adore you  
I couldn't spend my life without you  
Please believe me I would never doubt you  
I'll be the one to answer all your prayers  
Anytime you need me, know that I'll be there  
'Cause no one could ever love you like I could  
I'm hopin' that you hear these prayers of mine  
I'm hopin' that we'll be together for all time  
'Cause no one could ever love you like I could

[Repeat Chorus 1]

Oh! I would do anything  
To share that special place in your heart  
Please let me be the one who would mean everything  
There'll be no one to keep us apart

[Chorus 2]

Of all the times I reached out for you  
Girl can't you see how I adore you  
I couldn't spend my life without you  
Please believe me I would never doubt you  
Of all the times I reached out for you  
Girl can't you see I'm dying for you  
I couldn't spend my life without you  
Please believe me I would never doubt you
