

You'll follow me down - 1/1

Interprété par Skunk Anansie.

Survived tonight
I may be going down
'Cos everything goes round too
Tight, tonight
And as you watch me crawl
You stand for more

And your panic stricken
Blood will thicken up tonight
'Cos I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down

Survive tonight
I see your head's exposed
So we shall kill
Constructive might
It's so right as your emotions fool you
My strong will rule

And your panic stricken
Blood will thicken up tonight
'Cos I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down

I won't feel restraint
Watching you close sense down
I can't compensate
That's more than I've got to give

And your panic stricken
Blood will thicken up tonight
'Cos I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down

'Cos I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down
