With your E's  
And your ease  
And I do one more

Need a lip gloss boost  
In your america

Is it God's  
Is it your's  
Sweet saliva

With your E's  
And your ease  
And I do one more  
I know we're dying  
And there's no sign of a parachute  
We scream in cathedrals  
Why can't it be beautiful  
Why does there  
Gotta be a sacrifice

Just say yes  
You little arsonist  
You're so sure you can save  
Every hair on my chest  
Just say yes  
You little arsonist  
With your E's  
And your ease  
And I do one more

Well I know we're dying  
And there's no sign of a parachute  
In this chapel  
Little chapel of love  
Can't we get a little grace  
And some elegance  
No we scream in cathedrals  
Why can't it be beautiful  
Why does there  
Gotta be a sacrifice
