

## Hotel - 1/2

**Interprété par Tori Amos.**

Met'em in a Hotel  
Met'em in a Hotel  
Beneath ground  
Tell me that he's missing  
Tell me this is one for  
Lollipop Guestapo

You were wild  
Where are you now  
You were wild  
Where are you now

Give me more  
Give me more  
Give me more

I have to learn to let you crash down  
I have to learn to let you crash down  
I have to learn to let you crash

Met'em in a Hotel  
Met'em in a Hotel  
You say he's the biggest thing  
There'll be this year  
I guess that what I'm seeking  
I guess that what I'm seeking  
Isn't here  
Met him in a Hotel  
Met him in a guess world  
Gussed anyone but you  
You were wild  
Where are you now  
You were wild  
Where are you now  
Give me more  
Give me more  
Give me more  
I have to learn to let you crash down  
Where are the velvets  
Where are the velvets  
Where are the velvets  
When you're coming down  
Hotel  
You were wild  
Where are you now  
You were wild  
Where are you now
