

# China - 1/1

**Interprété par Tori Amos.**

China

All the way to New York  
I can feel the distance getting close  
You're right next to me  
But I need an airplane  
I can feel the distance as you breathe  
Sometimes I think you want me to touch you  
How can I when you build the great wall around you  
In your eyes I saw the future  
Together you just look away in the distance

China decorates our table  
Funny how the cracks don't seem to show  
Pour the wine dear  
You say we'll take a holiday  
But we never can agree on where to go

Sometimes I think you want me to touch you  
How can I when you build the great wall around you  
In your eyes I saw the future  
Together you just look away in the distance

China all the way to New York  
Maybe you got lost in Mexico  
You're right next to me  
I think that you can hear me  
Funny how the distance  
Learns to grow

Sometimes I think you want me to touch you  
How can I when you build the great wall around you  
In your eyes I saw the future  
Together you just look away in the distance

I can feel the distance  
I can feel the distance  
I can feel the distance getting close
