1, 2, 1, 2, she's trapped, gonna need some help.....

She sits in her armchair looking into space, (uh huh, uh huh)  
Looking for a reason, to find her lost place,  
Feeling a little bit sad (sad), but not really all that bad (uh huh, uh huh)  
Searching for a dream, a dream that she's never had,

She knows she should get a life (but it ain't that easy)  
her life's kinda full up (but its all too sleazy)  
She's going out of her mind,  
but she still can't, she can't leave her life, why ?

Trapped by your life, that's unavoidable,  
just to get by, to make it more affordable, (trapped)

Can't afford that (at),  
coz our 'perkins' ain't fat,  
She can't afford that (tat),  
so what she's gonna do now ?

She looks in the mirror, her reflection's someone old, (old)  
Seeing days gone by, she don't need to be told,  
feeling a little bit sad, she cries and packs her bags,  
remembering a dream, a dream that she'll never have,

Where will she go ? (but it ain't that easy)  
How long does she comes home ? (but its all too sleazy)  
Maybe she'll make it,  
Wil she? or maybe not, what ?

Trapped by your life, that's unavoidable,  
just to get by, to make it more affordable, (trapped by my affection)

uh, uh, uh, uh, oh,
