

## Toys in the attic - 1/1

**Interprété par Aerosmith.**

In the attic

Lights

Voices scream

Nothin' seen

Real's the dream

Leaving the things that are real behind

Leaving the things that you love from mind

You were all of the things that you learned from fears

said nothin' is left for the years

Voices scream

Nothin' seen

Real's the dream

Toys, toys, toys

In the attic
