

Amen Omen - 1/1

Interprété par Ben Harper.

What started as a whisper,
Slowly turned into a scream.
Searching for an answer
Where the question is unseen.
I don't know where you came from
And I don't know where you've gone.
Old friends become old strangers
Between darkness and the dawn

Amen omen, will I see your face again?
Amen omen, can I find a place within
To live my life without you?

I still hear you saying
"All of life is chance,
And is sweetest, is sweetest when at a glance"
But I live,
I live a hundred lifetimes in a day.
But I die a little
In every breath that I take.

Amen omen, will I see your face again?
Amen omen, can I find a place within
To live my life without you?

I listened to a whisper,
Slowly drift away.
Silence is the loudest,
Parding word you never say.
I put your world
Into my veins
Now a voiceless sympathy
Is all that remains.

Amen omen, will I see your face again?
Amen omen, can I find a place within
To live my life without you?

Amen omen, can I find the strength within
