

# Bang Bang - 1/1

**Interprété par Black Attack.**

you said I'm the girl  
you always dreamed  
but why did you grumble  
all the time?  
You have to be my man  
and I must be your girl  
don't you know what I feel  
for you?

chorus:

baby, baby the time is coming now  
baby, baby please tell me why  
baby, baby did I leave you  
baby, baby all I want is you

I know I'm not the perfect girl  
but you aren't the perfect guy  
if you could see what I see  
if you could feel what I feel  
than come back to me

chorus

the time is coming now  
to say good bye  
the time is coming now  
to ask you why  
did I leave you...

chorus 2x
