

Begin To Wonder - 1/1

Interprété par Danii Minogue.

--- [Verse I] ---

And when I'm walkin' down the street and call your name,
insinde my head I go insane,
don't you know that's really makin' me crazy.
And there were days when I went completely blind,
no time to think and I lost time,
won't believe what's happened to me lately.

--- [Verse II] ---

Cause every day it's the same thing,
different faces with no name,
places I've never been before.
And every day it's the same thing,
different faces with no name,
places I've never been before.

--- [Chorus] ---

And I begin to wonder ... (don't you know, that's really makin' me crazy)
And I begin to wonder ... (won't believe what's happened to me lately)

--- [Verse II + Chorus] ---

--- [Verse II] ---

Oh, walkin' down the street,
I call your name.
When makin' love to me,
I do the same.
And there were days,
when I went completely blind.
No time to think,
I lost time.

And I begin to wonder ... (5x)
