

## Hot Fudge - 1/2

**Interprété par Robbie Williams.**

Queen bitch eat the rich  
I'm on the second course today  
I'm not the first an I won't be the worst  
She's done most of LA  
Can't find a virgin, I can get you a surgeon  
Twenty-four hours a day  
Call it 'Collagen Jeanie' you big lip meanie  
I'm about to been blown away  
Come on sing it

Take me on the place where the sunshine flows  
Oh my Sunset Rodeo

Hot fudge here comes the judge  
Ther's a greencard in the way  
The holy Ghost and the whole East Coast  
Are moving to LA  
And we've been dreaming of this feeling since 1988  
Mother thing have got to change  
I'm moving to LA

Take this piss alway English  
God bless you Uncle Sam  
You got a cool gene pool and our winter is cruel  
And God know I love to ten  
Making cents and dead Presidents  
Before I could to tan  
With a nation behind me can't stop the limey  
Seh's on her back again  
Come on sing it

Take me on the place where the sunshine flows  
Oh my Sunset Rodeo

Hot fudge here comes the judge  
Ther's a greencard in the way  
The holy Ghost and the whole East Coast  
Are moving to LA  
And we've been dreaming of this feeling since 1988  
Mother thing have got to change  
I'm moving to LA

LA. LA. LA  
LA. LA. LA  
LA. LA. LA
