

## Shape - 1/2

**Interprété par Sugababes.**

I live my life in chains  
Got my hands in chains  
And I can't stick with the cards  
That I got with a deal  
Like this I must insist  
That a girl's got more to do  
Then be the way you think a woman should  
I'm taking it into my own hands  
In this man's land I can understand  
Why I'm taking command  
Had enough of stuff  
And now it's time to think about me, me yeah

And you can easily gamble your life away  
Second after second  
And day by day  
You play the game or you walk away  
It's a new turn on a blue day  
And a cool deal of life for me  
And it's all good

Refrain

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

I've always played it safe nothing's ever safe  
Give me the courage to back my own convictions  
Every decision I make I pay it back and more  
Now turn the cards and let them fall to me  
Cos I don't need to play on with the hand that they have given me  
I'll give it back cos it's not the way it has to be

And you can easily gamble your life away  
Second after second  
And day by day  
You play the game or you walk away  
It's a new turn on a blue day  
And a cool deal of life for me  
And it's all good

Refrain

And you can easily gamble your life away  
Second after second  
And day by day

## Shape - 2/2

You play the game or you walk away  
It's a new turn on a blue day  
And a cool deal of life for me  
And it's all good

That's not the shape  
The shape of my heart  
My heart  
That's not the shape of my heart

(x2)  
And you can easily gamble your life away  
Second after second  
And day by day  
You play the game or you walk away  
It's a new turn on a blue day  
And a cool deal of life for me  
And it's all good

Refrain

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape  
The shape of my heart...
