

## A Rush Of Blood To The Head - 1/1

Interprété par Coldplay.

I said I'm gonna buy this place and burn it down  
yeah, I'm gonna put it six feet underground  
I'm gonna buy this place and see it burn  
do back the things it did to you in return

I'm gonna buy this place and start a fire  
yeah, I'm gonna fulfill all of your hearts desire  
I'm gonna buy this place if you stick around  
yeah, I'm gonna buy this place and burn it down

cause honey  
all the movements are starting to make  
see them crumble before my face  
and I know the mistakes that I made  
see it all disappear without a trace  
and they call as they beckon you on  
[they say start if you need to go on]

so I'm gonna buy this place and watch it go  
oh stand here beside me baby, watch the orange grow  
oh I'm gonna buy this place and stick around  
oh sit here and watch as each wall comes down

I'm gonna buy a gun and start a war  
oh if you can tell me something worth fighting for  
oh I'm gonna buy this place if you stick around  
yeah I'm gonna buy this place and burn it down  
burn it down

cause honey  
all the movements are starting to make  
see them crumble before my face  
and I know the mistakes that I made  
see it all disappear without a trace  
and they call as they beckon you on  
[they say start as you need to go on]

so meet me by the bridge  
meet me by the lane  
when am I gonna see your pretty face again  
oh meet me on the road  
oh meet me on the grounds  
cause we're gonna buy this place and we're gonna burn it down
