Within You Without You (Harrison)

We were talking-about the space between us all And the people-who hide themselves behind a wall of illusion Never glimpse the truth-then it's far too late-when they pass away. We were talking-about the love we all could share-when we find it To try our best to hold it there-with our love With our love-we could save the world-if they only knew. Try to realise it's all within yourself No-one else can make you change And to see you're really only very small, And life flows within you and without you. We were talking-about the love that's gone so cold and the people, Who gain the world and lose their soul-They don't know-they can't see-are you one of them? When you've seen beyond yourself-then you may find, peace of mind, Is waiting there-And the time will come when you see we're all one, and life flows on within you and without you.
