

Reason - 1/2

Reason extract from "Reason"

So you've put your cards on the table
You're here, you're willing and able
Do you really understand the challenge you've set yourself ?
You know I want to adore you can't believe how life was before you
I must apologise, please understand I'm so demanding

Don't need to be cruel
I never felt that with you
Trouble is, I'm a danger to myself
Don't wanna push you away
I really want you to stay, until I figure this, I want you

Please come take me over
Let me, leave me for a while
Maybe when I'm older
I understand the reason why
Understand the reason why

Every day is here to remind me that the past is always behind me
Something I can never change but I won't let it hold me back
You arrived just in time, now I know I'll be fine
I am not ashamed to say you truly are my inspiration

Don't need to be cruel
I never felt that with you
Trouble is, I'm a danger myself
Don't wanna push you away
I really want you to stay, until I figure this, I want you

Please come take me over
Let me, leave me for a while
Maybe when I'm older
I understand the reason why
Understand the reason why

Might not be forever,
Baby whatever,
We've got today,
Won't you

Please come take me over
Let me, leave me for a while
Maybe when I'm older
I understand the reason why
Understand the reason why

Reason - 2/2

Please come take me over
Let me, leave me for a while
Maybe when I'm older
I understand the reason why
Understand the reason why
