

The Worst Day Ever - 1/1

Interprété par Simple Plan.

It's 6 AM,
The clock is ringing
I need to spend an hour snoozing
Cause I don't think
I'm gonna make it

I punch in, Im still sleeping
Watch the clock,
but it's not moving
Cause everyday is never ending
I need to work I'm always spending

And I feel like I'm living the worst day
Over and over again
I feel like the summer is leaving again
I feel like I'm living the worst day,
It feels like your gone
And every day is the worst day ever

Yesterday was the worst day ever,
And tomorrow won't be better it's history repeating
On and on
Summer plans are gone forever
I traded them in for dishpan water
And everyday is never ending
I need to work I'm always spending

And I feel like I'm living the worst day
Over and over again
I feel like the summer is leaving again
I feel like I'm living the worst day,
It feels like your gone
And every day is the worst day ever

It's so long and I can't go on
It's so long and I can't go on

And I feel like I'm living the worst day
Over and over again
I feel like the summer is leaving again
I feel like I'm living the worst day,
It feels like your gone
And every day is the worst day ever
