

## Love Is Enough - 1/2

**Interprété par 3 Of Hearts.**

Love is enough  
3 of hearts

We don't need the world outside  
We got all we need tonight  
Love is enough  
Let them say what they wanna say  
When you're holding me this way  
Love is enough

Everybody's got a peace of mind  
All they got to do is look at you and I

Baby, just wait and see  
You, can always count on me  
When times get tough  
You're the reason that I'm living  
Nothing that I wouldn't give  
Love is enough

May never have a lot of money  
When it don't really matter honey  
Love is enough  
Ain't it funny how four little letters  
Could pull it all together  
Love Is Enough

Even when we're old and gray  
I'll be here and you can still hear me say

Baby, just wait and see  
You, can always count on me  
When times get tough  
You're the reason that I'm living  
Nothing that I wouldn't give  
Love is enough

Long kisses and a tender touch  
Two hearts make believe  
What else do we need

Baby, just wait and see  
You, can always count on me  
When times get tough  
You're the reason that I'm living  
Nothing that I wouldn't give

## Love Is Enough - 2/2

Baby, just wait and see  
You, can always count on me  
When times get tough  
You're the reason that I'm living  
Nothing that I wouldn't give
