Whoa, whoa, whoa
Anticipation of what's to come
I'm so happy that I'm the lucky one
So long I've waited but never too late for love, mmm, hmm
[Do do do do do do do do do do do do do do do do]

It feels so right [It feels so right], babym that it can't be wrong [That it can't be wrong]
Where I am weak, baby, you make me strong [Make me strong]
I'm down for you and whatever you want to do
It's all up to you because

Anything you wanna do (Anything, gonna try to)
I am gonna try to (It's alright)
Boy, my body's just for you (My love's just for you)
Pleasure is the destination (You can drive)
You can drive us if you choose (If you choose to) to (Mmm, hmm)

Whatever method used is alright with me
As long as you get to where you need to be
This is the vision made for both of our eyes to see, yeah
[Do do do do do do do do do do do do do do do do]

It feels so right [It feels so right], it can't be wrong [That it can't be wrong]

'Cause boy, you know [You got me]
And I'm gonna do anything

Anything you want me to do I'll do it
