

What's Love Got To Do With It - 1/1

Interprété par Tina Turner.

You must understand That the touch of your hand Makes my pulse react That it's only that thrill Of boy meeting girl Opposites Attract

It's physical
Only logical
You must try to ignore
That it means more than that

Oh what's love got to do with it What's love but a second hand emotion Who needs a heart When a heart can be broken

It may seem to you
That I'm acting confused
When you're close to me
If I tend to look dazed
I've read it someplace
I've got cause to be

There's a name for it There's a phrase that fits But whatever the reason You do it for me

Oh what's love got to do with it What's love but a second hand emotion Who needs a heart When a heart can be broken

I've been thinking of a new direction But I have to say I've been thinking about my own protection It scares me to feel that way

What's love got to do with it
What's love but a sweet old fashioned notion
What's Love got to do with it
Who needs a heart when a heart can be broken
