

Caught in a new millenium - 1/1

Interprété par Dream Theater.

A single star behind me
A red sky burns ahead
A lonely light below me
Awake among the dead
I can't hold on any longer
These feelings keep growing stronger
Echoes that deafen the mind
Will bury my voice in their wake
Caught in a Web
Removed from the world
Hanging on by a thread
Spinning the lies devised in my head
Living out a constant deja-vu
Keep your head up - Please be patient we will get to you
Keep your head up - Just have some faith and you can see it through
Keep your head up - What they want from me ain't gotta clue
Keep your head up - Swallow pride before it swallows you
Keep your head up - Don't dare bite the hand that's starving you
Keep your head up -
How can you keep your head and no got insane
When the only light at the end of the tunnel is another train
Caught in a Web refused by the world
Hanging on by a thread
Spinning a cage denied and misread
I've got this feeling - The tide is turning now baby
Funny feeling - Everything's gonna be alright now.
