

## Finally free - 1/2

**Interprété par Dream Theater.**

"You are once again surrounded by a brilliant white light. Allow the light to lead you away from your past and into this lifetime. As the light dissipates you will slowly fade back into consciousness remembering all you have learned. When I tell you to open your eyes you will return to the present, feeling peaceful and refreshed.

Open your eyes, Nicholas."

Friday evening the blood still on my hands

To think that she would leave me now

For that ungrateful man

Sole survivor no witness to the crime

I must act fast to cover up

I think that there's still time

He'd seem hopeless and lost with this note

They'll buy into the words that I wrote

"This feeling inside me

Finally found my love, I've finally broke free

No longer torn in two

I'd take my own life before losing you"

Feeling good this Friday afternoon

I ran into Julian

Said we'd get together soon

He's always had my heart

He needs to know

I'll break free of the Miracle

It's time for him to go

This feeling inside me

Finally found my love, I've finally broke free

No longer torn in two

He'd kill his brother if he only knew

Their love renewed

They'd rendezvous

In a pathway out of view

They thought no one knew

Then came a shot out of the night

One last time we'll lay down today

One last time until we fade away

One last time we'll lay down today

One last time we fade away

As their bodies lie still

And the ending draws near

Spirits rise through the air

All their fears disappear, it all becomes clear

A blinding light comes into view

An old soul exchanged for a new

A familiar voice comes shining through

This feeling inside me

Finally found my life, I'm finally free

No longer torn in two

I learned about my life by living through you

## Finally free - 2/2

This feeling inside me  
Finally found my life, I'm finally free  
No longer torn in two  
Living my own life by learning from you  
We'll meet again my friend someday soon
