

# Regression - 1/1

**Interprété par Dream Theater.**

"Close your eyes and begin to relax. Take a deep breath, and let it out slowly. Concentrate on your breathing. With each breath you become more relaxed. Imagine a brilliant white light above you, focusing on this light as it flows through your body. Allow yourself to drift off as you fall deeper and deeper into a more relaxed state of mind. Now as I count backward from ten to one, you will feel more peaceful, and calm: 10...9...8...7...6... You will enter a safe place where nothing can harm you...5...4...3...2... If at any time you need to come back, all you must do is open your eyes. 1."

[Nicholas:] Safe in the light that surrounds me  
Free of the fear and the pain  
My subconscious mind Starts  
pinning through time  
To rejoin the past once again  
Nothing seems real  
I'm starting to feel  
Lost in the haze of a dream  
And as I draw near  
The scene becomes clear  
Like watching my life on a screen  
Hello Victoria so glad  
to see you my friend.
