

## Seasons - 1/2

**Interprété par Good Charlotte.**

Summer air reminds me of  
All the feelings of your love  
And what it was like  
When we were together

Walking all along the beach  
You were never far from my reach  
And you held me  
Through stormy weather

And I  
I wanna fall in love  
Tonight  
And I  
Remember when you said  
"Everything is gonna be alright"

Laying in the summer grass  
You told me not to talk so fast  
As I told you how I feel  
You made me feel right at home  
You told me I was not alone  
And you knew just how I feel

I know we talked about it  
I just cant get around and  
I just want one more night with you

I  
I wanna fall in love  
Tonight  
And I  
Remember when you said  
"Everything is gonna be alright"

October air reminds me of  
All the seasons of your love  
And what it was like  
When we were together

The smell of flowers everywhere  
And now it seems i just dont care  
'Cause now youve gone away

And I  
I wanna fall in love  
Tonight
