

Testify To Love - 1/1

Interprété par Wynonna Judd.

all the colors of the rainbow
all the voices of the wind
every dream that reaches out
that reaches out to find where love begins
every word of every story
every star in every sky
every corner of creation
lives to testify

for as long as i shall live
i will testify to love
be a witness in my silences
words are not enough
with every breath i take
will give thanks to god above
for as long as i shall live
i will testify to love

from the mountains to the valley
from the rivers to the sea
every hand that reaches out
every hand that reaches out to offer peace
every simple act of mercy
every step the kingdom come
all the hope in every heart
speak what love has done

(till fade)
for as long as i shall live
i will testify to love
i'll be a witness in my silences
words are not enough
with every breath i take
will give thanks to god above
for as long as i shall live
i will testify
i will testify to love
