

# She Can't Love You - 1/1

Interprété par Destiny's Child.

I saw your new girlfriend the other day  
And I expected for her to be so much more than she was  
I checked out her style the way she smiled  
The way she moved the things she said  
The way she looked at me like "I got yo' man"

She can't love you like I can  
Her awful love just cant compare to what I have  
She can't touch you like I do  
'Cause when she touch you you pretend it's me and you  
There's no way her love's as good as mine  
There's no reason for you to waste your time

When we were together, you told me what you didn't like  
And you went out and got exactly that type  
Except that your new girl is nothing compared to me  
Everything that she did wrong I always did right

She can't hold you like I can  
Boy you a fool if you can't realize what you had  
She can't feel you like I can  
'Cause I'm a girl that's always standin' by my man

(Hook)  
And there's no way her love's as good as mine  
There's no reason for you to waste your time  
And there's no way her love's as good as mine  
There's no reason for you to waste your time

There's no way, there's no way  
That her love could be could be good as mine  
There's no reason, no reason  
For you to even go and waste your time, your time

(Hook)
