

# I Drove All Night - 1/1

**Interprété par Cyndi Lauper.**

I had to escape, the city was sticky and cruel,  
Maybe I should have called you first,  
But I was dying to get to you.  
I was dreaming while I drove the long straight road ahead.  
Could taste your sweet kisses, your arms open wide,  
This fever for you is just burning me up inside.

I drove all night to get to you. Is that alright?  
I drove all night, crept in your room,  
Woke you from your sleep to make love to you.  
Is that alright? I drove all night.

What in this world keeps us from tearing apart?  
No matter where I go I hear the beating of your heart.  
I think about you when the night is cold and dark.  
No one can move me the way that you do,  
Nothing erases this feeling between me and you.

I drove all night to get to you. Is that alright...?

Could taste your sweet kisses, your arms open wide,  
This fever for you is just burning me up inside.

I drove all night to get to you. Is that alright...?

Could taste your sweet kisses, your arms open wide,  
This fever for you is just burning me up inside.

I drove all night!
