I was born in chicago in 1941  
Well My father told me  
Son you had better get a gun

Well my first friend went down when I was 17 years old  
Well my first friend went down when I was 17 years old  
Well there's one thing I can say 'bout that boy  
He got bold

Well my second friend went down when i was 21 years of age  
Well my second friend went down when i was 21 years of age  
Well there is one thing i can say about that boy  
He got dead

Well my rules are alright if there's someone left to play the game  
Well my rules are alright if there's someone left to play the game  
All my friends are going  
and things just don't seem the same  
Oh things just don't seem the same baby
