God bless Mother Nature
She's a single woman too
She took on a heaven
And she did what she had to do

She taught every Angel
To rearranged the sky
So that each and every woman
Could find the perfect guy

It's raining men

Go get yourself wet girls
I know you want to

I feel stormy wheather moving in
About to begin
Hear the thunder
Don't you lose your head
Rip off the roof and stay in bed
(Rip off the roof and stay)
