

## Year 3000 - 1/1

### Interprété par Busted.

One day when I came home at lunchtime I heard a funny noise.  
Went out to the backyard to find out if it was one of those rowdy boys.  
Stood there was my neighbour called Peter and a flux capacitor.

He told me he'd built a time machine like one in a film I've seen. Yeah, yeah.

He said...

I've been to the year 3000.

Not much has changed but they lived underwater.

And your great, great, great-granddaughter is pretty fine. (Is pretty fine)

He took me to the future in the flux thing and I saw everything.

Boybands and another one and another one and another one.

Triple breasted women swim around town totally naked.

We drove around in the time machine like one in a film I've seen. Yeah, yeah.

He said...

And your great, great, great-granddaughter is pretty fine. (Is pretty fine)

I took a trip to the year 3000,

This song had gone multi-platinum.

Everybody bought our seventh album,

It had outsold Michael Jackson.
