

# Don't Close Your Heart - 1/1

**Interprété par Him.**

I know how it feels to be on your own  
In this cruel world where hearts  
And bound to turn to stone  
Where you are alone  
And tired of breathing  
It's all going wrong  
And you just can't stand the pain any more  
You're too numb to believe in  
In anything  
Baby just don't close your heart  
Baby just don't close your heart  
Baby just don't close your heart  
Darling don't let me down  
I know how easy it is to let go  
Surrender to despair lurking at your door  
To loose your soul and all your feelings  
Strenght all gone  
And so many things left unsaid  
And deeds undone  
You've stopped caring  
Cause it's all in vain  
Baby just don't close your heart  
Baby just don't close your heart  
Baby just don't close your heart  
Darling don't let me down  
Don't let me down  
Don't let me down  
Just don't let me down
