When I Need You - 1/1

Interprété par Céline Dion.

When I need you Just close my eyes and I'm with you And all that I so want to give you It's only a heartbeat away

When I need love I hold out my hands and I touch love I never knew there was so much love Keeping me warm night and day

Miles and miles of empty space in between us A telephone can't take the place of your smile But you know I won't be traveling forever It's cold out, but hold out and do like I do

When I need you Just close my eyes and I'm with you And all that I so want to give you It's only a heartbeat away

It's not easy when the road is your driver Honey, that's a heavy load that we bear But you know I won't be traveling a lifetime It's cold out but hold out and do like I do Oh I need you

When I need you I hold out my hands and I touch love I never knew there was so much love Keeping me warm night and day

When I need you Just close my eyes and I'm with you And all that I so want to give you It's only a heartbeat away
