

Drowning By Numbers - 1/1

Interprété par Placebo.

Open up my heart
Let me slip inside
Such determination always tries to turn the hide
Open up your arms
Let me dive into
The big big blue

Try losing
This chromosome
It's my choosing
Down to the bone

Open up your heart
Let me slip inside
Such imagination always helps the feeling slide
Open up your soul
Falling back into
The big big blue

Try losing
This chromosome
It's my choosing
Down to the bone

Blood...dive in
Blood...drowning
Blood...dive in

Open up your heart
Let me slip inside
Auto-flagellation always helps the ghost to hide
Open up your arms
Let me dive into
The big big blue

Try losing
This chromosome
It's my choosing
Down to the bone

Blood...dive in
Blood...drowning
