She didn't believe

He's going back to Gorgia
Because he knows time and time has come
Don't even know if she'll be waiting
Because he's been gone far way too long
How long will you stay?
Boy you don't got nine to waste
How long will you stay?
Saving time losing grace
She believed every word he told her
About the troubles and how they start
She didn't listen to her laughter
She only listening to her heart
He made a promise to no one
That he could right a wrong
He wanted to do something just
But he was just gone
She didn't believe what they told her
about her lover
Nothing left but her tears and their
were laughter
Forever after
She didn't believe
