

Superman - 1/1

Interprété par Goldfinger.

So here I am doing everything I can holding on to what I am pretending I'm a superman I'm trying to keep the ground on my feet it seems the world's falling down around me the nights are all long I'm singing this song to try and make the answers more than maybe

and I'm so confused about what to do sometimes I want to throw it all away

so here I am growing older all the time looking older all the time feeling younger in my mind I'm trying to sleep I lost count of the sheep my mind is racing faster every minute what could I do more yeah I'm really not sure I know I'm running circles but I can't quit and I'm so confused about what to do sometimes I want to throw it all away controlling everything in site

I'm feeling weak
I don't feel right
you're telling me
I have to change
telling me to act my age
but if all that I can do
is just sit and watch time go
then I'll have to say good bye
life's too short to watch it fly
watch it fly
