

The Festival Song - 1/1

Interprété par Good Charlotte.

I don't care about a thing, I used to but I'm fed up,
And I can hear the words you say, I wish that you would shut up
I've got responsibility, that is my liability, a menace to society,
At least that's what they say to me,
But tonight, tonight, it's on tonight
I don't want your boring life, And I don't want your 9 to 5,
Or anyone to tell me how to live my life,
People always tell me not to waste my time,
To get a real job and get back in line,
You can say I'll never be a millionaire,
Tell me this guitar won't get me anywhere,
I've got responsibility, that is my liability,
I'm questioning authority
They say there's not a chance for me

[Chorus]

Your future's no future,
Your future's no future,
Your future's no future,
I control my life
