

Steppin'out - 1/1

Interprété par Joe Jackson.

Now - the mist across the window hides the lines

But nothing hides the colour of the lights that shine

Electricity so fine

look and dry your eyes.

We're - so tired of all the darkness in our lives

With no more angry words to say can come alive

Get into a car and drive to the other side.

Me babe - steppin' out

into the night

into the light.

You babe - steppin' out

into the night

into the light.

We - are young but getting old before our time.

We'll leave the T.V. and the radio behind.

Don't you wonder what we'll find

steppin' out tonight.

You - can dress in pink and blue

just lika a child

And in a yellow taxi turn to me and smile.

We'll be there in just a while

if you follow me.

Me babe - steppin' out

into the night

into the light. . . .

Me babe - steppin' out

into the night

into the light. . .
